PUMA™

Trader's Puma has arrived - our latest range of switches and sockets are ready for use by Australian Electrical Contractors.

What Puma can do for you:

- Fits standard mounting accessories
- **Screw fastened base / plate**
- **Interchangeable** - Mix n' match with other brands
- **Cable Clamp Feature** - *unique cable securing point may eliminate need for a shroud* (Cable clamp restraint point satisfies requirement of AS/NZS3000:2007 Clause 5.4.6.1)
- Individually wrapped with product label and barcode
- Terminals are large and in line for ease of installation
- **Yellowing Resistant** - made from Polycarbonate (Not ABS) which means cover plates resist discolouration. Trader switches and sockets are made from Virgin Polycarbonate
- Products are fully certified and compliant with Australian standards (Ask us for technical data sheets)
- Robust terminals with plenty of wiring space
- Switch plates can accommodate other clip in TRADER modules or equivalents in the market
- Available in white (at this point)
- Full cover plate design
- 10 Year Warranty

Unique cable securing point may eliminate need for a shroud
